

Steering Committee Structure:

Assoc. Exec Director
x3

Assoc. Board Chair
x3

State CSBG Lead
x3

Steering Committee Agreements:

- The respective states desire to improve their, and their members' ability to communicate their missions and purpose and better demonstrate their effectiveness by reporting collective results nationally, regionally and locally.
- Each state represented equally
- All decision making lies in the Steering Committee
- Voting will be a simple majority
- Voting occurs with the creation of new or changes to existing work, decisions about how work should proceed, the formation and dissolution of work groups
- The results of all work will be shared with all members of the three associations, state agencies and community action agencies
- Each state will, as equally as possible, contribute resources, time and funding
